Please join us for a presentation and conversation with guest speaker Angelina Godoy from the UW Center for Human Rights and Unfinished Sentences. She has recently returned from El Salvador with an update on many issues directly affecting St. Pat's sister community of Arcatao, which has long struggled for reparation and justice after the war. All who are interested in responding to recent disturbing

events that are seriously undermining justice advances in El Salvador will find this evening inspiring! This event is free and refreshments will be served.

Co-sponsored by St. Pat's Social Justice Committee.
